

## CREATIVE PARK

<http://www.canon.com/c-park/en/>

Assembly Instructions: 3 sheets    Number of parts: 15

**Warning for parents:** This papercraft involves using glue, scissors, and other utensils and materials that may be dangerous to young children. Please work somewhere out of reach of young children.

## HOW TO PLAY

There are 9 different blocks. Match the pictures and arrange them neatly in the box. What kind of animals can you make?

(Blocks)

(Box)

Look at the picture on the right. There is a panda, and-- what's that?? Somebody's made something silly! Why don't you try making your favorite animal? If you have trouble, look at the pictures for help.

## COMPLETE

1

Assembly of the box and blocks are now complete.

There are 9 blocks altogether. Try putting them in the box.

2

Look at the "How to Play" section on page 1, and have fun putting the faces together.
